LOVE that taste!

As guys, don't we wonder what a girl thinks about when she's licking another girl's pussy. Maybe it's about how it feels on her tongue. Maybe it's about how flicking the clit with her tongue is a turn on. Maybe it's how she tastes after she's been aroused.

Orange is the
new dick.

We've been lucky, or cursed, with men with a small dicks. After trying for years to make their cocks larger, we learned a little trick or two. To make our pussies tighter. We learned to contract my vaginal muscles to 'grip' cock tight. Our other trick is to have them fuck our asses! Now there it feels huge! But in the meantime, we're having a little pussy riot ourselves. No cock. Just a long, think orange double dong!!!

Wishful Thinking

*Aidra
Fox*

“Have a nice day. And have it with me.”

That’s mantra, and she lives it every day. A real people pleaser, we know she loves to be around like guys and girls. Web saw that as we watched a few of her videos. Wow, this girl is hot, and we mean super hot. We looked it up in the dictionary and saw her photo!

Wishful Thinking

Aidra Fox

Editor: Hello, Aidra and thank you for taking the time with me. I've been looking forward to it.

Aidra: Thanks, I can't wait to hear what you're going to ask me.

Ed: I'll be kind... So, how old are you and how long have you been in the business??

Aidra: Great, two questions in one. I'm old enough and have been so for a few years.

Ed: A little more about you, if I may. How would you describe yourself?

Aidra: I don't take crap from anyone, don't have to. That being said, I love people and consider myself a people pleaser. And anyone who knows me can tell you that I give as good as I get, and much better whenever I can. Just ask.

Ed: Do you like working with girls or guys better?

Aidra: Oh hell yeah. I love getting my freak on with babes. Guys are fun too. I love them both and I love them all. Figuratively of course.

Ed: You look like you're in great shape.. Do you work out or go to the gym?

Aidra: No gym. I like long walks. That keeps me in shape.

Ed: Are you married or in any type of serious relationship?

Aidra: No and no. There are a couple of girls or guys I can fuck when I want to, but I get my fill of sex during work. Thing is, I want to fuck a hell of a lot.

Ed: What kind of guys do you like?

Aidra: I like guys who show self-confidence, but aren't high on themselves, and aren't all macho. Don't give me this you-are-my-woman shit.

Wishful Thinking

Aidra Fox

Ed: Do you like to take charge of the sex when you're with the guy?

Aidra: I like to call the shots about position and I will tell a man how to eat my pussy if it looks like he doesn't know what he's doing. Generally, though, I don't have to deal with that because all my partners are pretty experienced..

Ed: Are you into sex with women in your private life?

Aidra: Of course. I go both ways, but I think I'd do guys more. With girls, I like to let the woman take charge. It's the type of thing where I like to chill and let her do it to me.

Ed: Do you do three ways? Four ways?

Aidra: Only at work. That's part of the job and I like it. But in my personal life, I like to get personal so it's one on one.

Ed: Do you like doing two guys at the same time?

Aidra: I'll admit it was a little awkward for me the first few times I had to for a shoot. I had never done it before. I felt too closed in. But I got used to it and got to know the sexual rhythm. And most of the guys in the business do it all the time, so they make it easy. A good director can make it easier, too. I don't feel that way if I'm between a guy and a girl.

Ed: Do you get off watching sex?

Aidra: I never really thought about that, I guess I do. I don't

get off watching other people have live sex on set. I'm usually a cheerleader. I can get excited watching a video. You can concentrate on the things that turn you on. And if it's well shot and edited, it can be quite arousing.

Ed: Are you into anal sex: rimming and/or fucking?

Aidra: I like rimming a guy, but I like to rim a girl more. It's okay, but it is nothing like sucking dick or licking pussy.

Ed: Are you into using sex toys?

Aidra: I use vibrators at home and with my personal partners, but that's about it. Our tongues, fingers and pussy's are all we need

to make each other cum. On set, that's another story.. I have to there and I like it, or have to show that I like it

Ed: Before we go, do you have a quick sexy story to share?

Aidra: Oh yes. I was with a guy and my girlfriend was with one too. My guy opened his pants and shoved his hand down my panties as we Frenched. I groped his cock and getting hornier and hornier. I got up, took off my pants and panties at the same time and demanded to see his cock. Well, he and the other guy got all shy about it and we told them we would kick their asses out of the apartment if they couldn't handle it. So, my guy stripped and so did hers, but they avoided looking at each other at first. I sat on my guy's lap and I took his cock in my pussy by lowering it on him. I did a reverse cowgirl so I could watch my girl and her guy.

After some sexy swimsuit shopping, the ladies tried on their hot new bikinis for each other back at the pool. Their bodies were looking so fine, they just needed to be licked and fingered and more. After their pussies were nice and wet it was time to lick them tender. These three couldn't get enough until they all came.

OFF THE RECORD

AH, IT'S THE PORN LIFE FOR ME

CHRISSY MARIE is really quite a piece of work. To look at her, even in these photos, you'd think her the perfect girl next door, just a little bit gussied up in lingerie. But what this pert little exterior is hides is a penchant for leather, gags, whips, and all that fun stuff found in a dungeon.

FOX: Good morning Chrissy, so very nice to meet you. Thank you for meeting me on such short notice. I know you have to leave soon, so let me get right into it. Are you a newbie to porn?

Chrissy: Yes, Hi right back at you. If you consider three years and less than fifty scenes a newbie.

FOX: What kind of scenes do you do? What will you do?

Chrissy: I am young and I am horny and I want to try everything sexual, I can't think of anything I won't do. So far I've been doing a lot of BDSM in addition to some relatively straight stuff.

FOX: Do you consider yourself bisexual?

Chrissy: Of course, I like sex with girls and I like sex with guys and sex with guys and girls together.

FOX: Why did you decide to get into adult entertainment? Making videos. How did you start?

Chrissy: Believe it or not, I knew some performers doing movies and they introduced me to the right people. It was a time that I had just ended a relationship and I was on my own. I said to myself, what do I want, a boring office or mall job, or to have lots of sex and make money doing it? It was a no-brainer, I chose sex and money.

CHRISSY MARIE

FOX: That's great for now, but what are your goals and dreams for the future?

Chrissy: I don't really know. I like what I'm doing and having a lot of fun with it. Ask me again in a year or so.

FOX: Not to get personal, but those shorts are pretty short. If you were to drop them, would I see panties under those tiny shorts?

Chrissy: No, not usually, maybe a thong if anything. Wanna see?

FOX: Uh, no, but thanks. What do you wear to sleep at night?

Chrissy: Rarely anything. Just skin on sheets. I love to feel the cool sheets against my naked body. If I'm with a partner, I'll wear some sexy lingerie, but you know that doesn't stay on long.

FOX: When you're not with a partner, may I ask if you masturbate yourself to fall asleep?

Chrissy: Yep, almost every night. There have been a few times that I actually fallen asleep with my vibrator in my pussy. I'd wake up, find it still in me, but the batteries had died. It's actually kinda funny, but you have to be there.

FOX: We wish we were. And if we were, we'd ask you what are some of your biggest turn ons?

Chrissy: I consider myself a bit of a cum lover. When I did my first threesome scene, I came without even touching my pussy. I love giving head and having the guy cum on my face or on my tits or anywhere else on my body. Especially when I'm bound and gagged. I love to fuck and to have my pussy eaten for a long time.

FOX: Have you ever had sex in public? If so, did you get caught?

Chrissy: I've done my share of the wild thing out

CHRISSY MARIE

there in the great outdoors, like at the movies, in the park, on the beach. We've never gotten caught, but there have been people around and sometimes they were watching. Nobody's reported us, so they must have liked the show!

FOX: Do you do it because it's a turn on for you?

Chrissy: Most of the time. Sometimes it's just a matter of circumstance and location. And I like the attention. That is what turns me on, not necessarily the sex. You can have better sex in the bedroom.

FOX: And now the obligatory questions most asked by our readers, do you enjoy anal sex?

Chrissy: Yep, most of the time. I know some girls don't even want to try it, because they think it will hurt. But you lube up and relax, and if you get used to it, it starts to feel good. Real good! I envy those girls that can cum easily doing it, or that can take it for long periods of time. That must take a lot of lube!!!

FOX: Do you like having your butt attended to and licked? Do you return the favor?

Chrissy: I love to having my ass licked. Who doesn't; and fingered and fucked. And I will return the favor with my finger or tongue. I especially like doing it to girls because I can relate and every one of them likes it. They seem more willing when it's a girl back there than a guy.

FOX: tell me something about yourself that might surprise some of our readers.

Chrissy: I like going to a farm and hanging out with the animals. They are so cool, and live in a whole other reality. I like the bigger animals most, like the cows and horses. I could watch horses all day long. Have you ever seen the dick on a full grown stallion? That's amazing!

FOX: Maybe I will, but in the meantime, please let me thank you again for a wonderful hour with you.

Not Too Easily Impressed...

Fortunately for you guys, we girls are easily impressed. Whether you are a big political honcho, throw a football or date models, we girls are going to be into you. That was the case with this geek we met and flirted with him at the computer store. He said he was hacking into sites to help his friends. A day later we went back in and asked him if he could show us how to do it and then we'd wash his car for him.
